Message of Dean - Academic

Dear prospective students,

It is a matter of immense pleasure for me to be a part of the Himachal Pradesh Technical University (HPTU), Hamirpur family as its Dean (Academic). I take this opportunity of welcoming students coming from all parts of the world, joining the University in undergraduate as well as postgraduate programmes. In their quest for knowledge, most of such students shall be moving away from the folds of their family. One needs to realize that they are just moving away from one family fold to another. Their teachers, seniors and peers, all form an extended family to whom they can look up for any guidance, support and help to move ahead in life as professionals in their study programmes they have opted for.

All the programs offered by HPTU follow the Choice Based Credit System (CBCS) with Outcome Based Approach. The flexibility in the curriculum has been designed with industry-specific goals in mind and the educator enjoys complete freedom to appropriate the syllabus by incorporating the latest knowledge and stimulating the creative minds of the students. Bench marked with the course of studies of various institutions of repute, our curriculum is extremely contemporary and is a result of brainstorming efforts of great think-tanks: faculty members, experts from industries and research level organizations. The evaluation mechanism employs continuous assessment with grade point averages. We sincerely believe that it will meet the aspirations of all stakeholders – students, parents and the prospective employers. Special care is being taken to implement National Education Policy (NEP) – 2020 focusing on its various components including skill development, multiple entry – exit, etc.

You shall learn how to think logically, deal with uncertainty, apply technology in a socially and environmentally responsible manner, communicate effectively and collaborate with others. Always remember that knowledge, know-how (skill), entrepreneurship and hard work coupled with dedication, devotion, determination and discipline are the keys to success. We, at HPTU, lay special emphasis on nourishing and motivating our students to “... *become job providers than becoming job seekers* ...” when they go out to serve the society and the nation.

I extend hearty welcome to all those who are desirous of seeking admission in our campuses and constituent affiliated institutions located throughout the state of Himachal Pradesh. I am confident and wish that it acts as a steppingstone for you towards a successful career in the fascinating world of professional education. I am sure, HPTU will prove to be a ‘*home away from home*’ to all of you.

Good Luck!

Sd/-
